

Kodak ScanMate i940 Scanner

Capture, manage, and distribute information with ease and speed

The perfect compact desktop and mobile scanning teammate

If you need to scan, store, manage, and send information to various locations and people within your organization with ease, you need a **Kodak ScanMate i940 Scanner**. It moves your valuable information from paper into your workflow quickly and intuitively.

To make information capture and distribution even more foolproof, the **ScanMate i940** Scanner uses Smart Touch functionality – so the push of one button replaces complicated multi-step scanning processes. Easily create email attachments, image files, and searchable PDFs – and send your documents securely to the Cloud, so they can be accessed anywhere, anytime.

Powered via USB, the very compact i940 Scanner also lets you scan on-the-go. It's compact but delivers big impact.

Open up new scanning, information capture, and sharing possibilities with the freedom and power of the **Kodak ScanMate i940 Scanner**.

10 ways the Kodak ScanMate i940 Scanner does more in less space

Saves time

- Smart Touch performs multiple-step scanning and organizing operations automatically

Saves space

- Compact, highly portable scanner takes up less desk space

Scans anywhere

- USB-powered to provide the power of a desktop scanner with the flexibility of a mobile scanner

Plays well with others

- Compatible with most scanning software

Creates sharp images – even better than many originals

- Perfect Page document imaging is built in—for great images with bright colors and crisp text

Scans many sizes and weights

- 20-sheet automatic document feeder even handles business cards, ID cards, and embossed hard cards

Keeps contacts up to date

- Easily edit and synchronize business card information in your contact application(s)

Delivers peace of mind

- Three-year limited warranty on a well-made, proven scanner

Kodak ScanMate i940 Scanner
