Superb image quality and data accuracy – automatically

- Minimize data entry costs and time spent while transforming important paper-based information into actionable data and insight
- Perfect Page technology turns even poor-quality originals into crisp images – automatically assessing and improving each image while scanning at rated speeds
- Image enhancements include streak removal, background smoothing, image edge fill, and more
- Achieve superb accuracy that’s a must for barcode reading and critical business processes

Totally safeguard your paper and data

- Potential throughput issues are caught before they become jams or misfeeds, thanks to Advanced Intelligent Document Protection (IDP) and multi-feed detectors
- Documents transported smoothly and safely via a straight-through paper path and adjustable feeder pressure
- Smoothly handle varying weights and sizes in single batches, and gain mixed-batch handling accuracy with a bigger 300-sheet feeder and controlled exit stacking
- Scan oversize and fragile documents safely, as well as books, photos, etc. on the integrated flatbed

Key advantages

- Three-year AUR warranty
  If your scanner can’t be repaired on-site, an Advanced Unit Replacement (AUR) scanner will be shipped out for arrival within 1-2 days
- On-board image processing
  Slashes demands on your PCs to speed scanning and boost efficiency
- Integrated flatbed
  Easily scan oversize and fragile documents safely, as well as books, photos, etc.
- Scan directly to apps
  Import information directly into applications with TWAIN, ISIS, or RESTful API-based scanning
- Simplified start-up and scanning
  Scan one sheet and you’re ready for capture, large intuitive color touchscreen, personalized workflows, and Smart Touch technology to automate complicated tasks

Get key information into your processes – quickly and accurately

Turn information on paper into meaningful productivity with the small, but mighty, Kodak S2085f Scanner. With its integrated, book-edge A4/Portrait flatbed, you can easily and accurately capture important information – from business cards to books and beyond. Combining robust, reliable paper feeding and automatic image optimization, it’s the right solution for any industry.
**Key features**

1. Color user interface with one touch destinations using Smart Touch
2. Up to 85 ppm and 20,000 pages per day
3. 300-sheet feeder/elevator
4. Straight through paper path available
5. USB 3.2 Gen 1x1 compatible and Wired Network Available
6. Integrated flatbed
7. Output stacking with controlled exit stacking and exit deflectors
