Kodak S2000 Series Scanners

Information capture at the point of entry

Robust desktop information capture, delivered direct to your business processes
Simple information capture to streamline your processes

Digital transformation starts with information capture. Imagine document scanning that speeds and simplifies your business processes. The **Kodak S2000 Series Scanners** are built to let users capture information anywhere, with superior image quality and data accuracy. It’s the perfect solution when you need to get information into your business processes quickly.

**Faster, easier scanning leaves more time for business**

The **Kodak S2000 Series Scanners** enhance your productivity by handling more of the work traditionally done by people, computers and mobile devices.

- Embedded Image Processing in the scanner delivers crisp, high-quality images without depending on your computer.
- Active Feed technology aligns the leading edges of pages to avoid misfeeds and multifeeds, and Controlled Output Stacking places paper neatly in the output tray, so your team spends less time dealing with documents and more time on work that matters.

**Document and information handling you can trust**

Ensure reliable data quality at the point of capture through a combined approach of hardware and software technologies.

- Intelligent Exception Processing handles immediate validation of forms so any missing information can be identified and fixed at the point of transaction.
- Intelligent Document Protection and multifeed sensor technology make scanning virtually jam-free and document-damage-free.
- Industry standard enterprise security protocols for scanning over networks protect document images and data in transit.

**Easy to set up, easy to use**

An intuitive color interface and predefined job setups simplify the lives of users and network administrators.

- Predefined job setups let users change scanner configuration at the push of a button or by scanning auto-generated QR codes.
- Connect to various applications such as Dropbox, Salesforce, OneDrive, SharePoint, SharePoint Online, Box, Google Drive, and more.
- Network models, including wireless connectivity, enable multiple users to easily share scanners in a distributed environment.

**Information capture that evolves with your business**

The S2000 Series Scanners are designed to fit seamlessly into your business environment and adapt as your needs change.

- Integrate easily using our Web API, so no device drivers need to be installed on the host computer, tablet, or mobile device.
- For your peace of mind, S2000 Series Scanners include 3 years Advanced Unit Replacement support with the option to upgrade to 5 years.

Capture that streamlines your business processes

Document capture integrates smoothly and conveniently into your normal workflow.

- Intelligent Barcode Reading produces the most accurate data extraction results and takes complexity out of document preparation.
- Eliminate complicated multi-step scanning processes with one-touch simplicity using Smart Touch technology.
- Mobile scanning enables your workforce to capture documents from their mobile devices or tablets.
Great software downloads available. Upgrade as you need.

With Kodak S2000 Series Scanners, download Smart Touch and be productive right away.

### Electrical Requirements

100-240 V (International); 50-60 Hz

### Environmental Factors

EPEAT Registered ENERGY STAR Qualified Operating Temperature: 10-35°C (50-95°F) Operating Humidity: 15% to 80% RH

### Dimensions

- Weight: 3.3 kg (7.2 lbs.)
- Depth: 204 mm (8.0 in.), not including input tray and output tray
- Width: 312 mm (12.3 in.)
- Height: 182.5 mm (7.2 in.), not including input tray
- Height with input tray: 231.6 mm (9.1 in.)

### Supported Operating Systems

WINDOWS 7 SP1 (32-bit and 64-bit), WINDOWS 8.1 (32-bit and 64-bit), WINDOWS 10 (32-bit and 64-bit), WINDOWS Server 2012 x64 Editions, WINDOWS Server 2016 x64 Editions, LINUX UBUNTU, SUSE and NEOKYLIN. Citrix Certified

### Software Support

- Standard Software: TWAIN, ISIS, WIA Drivers; Smart Touch, and Kodak Capture Pro Software Limited Edition (via web download)
- Optional Software: Kodak Info Input Solution, Kodak Capture Pro Software (Windows only), Asset Management Software
