

It only takes one call to get the support you need

- For more than 100 manufacturers
- For more than 1,000 different models
- For document imaging products
- For storage systems

To compete, meet your business objectives and achieve a healthy bottom line, it is critical to maximise uptime. Your equipment has to operate at peak performance day in, day out. That is where **Kodak** Service & Support comes in. Our factory-trained, skilled professionals know all about **Kodak** products, but they also know how to repair and service hundreds of products from more than hundred manufacturers.

And you get everything - people, processes, and technology - from a single source. Our commitment to excellence ensures that the parts and services we offer will help you achieve your performance goals.

Products we service
